- Storage Units

Treatment will also control fleas, ticks, dust mites and lice.

### For best results, in addition to treatment do the following.

- Reduce and remove clutter from the room.
- Dispose of infested items that can be discarded.
- Encase or bag articles that may be infested, but will not be laundered or discarded.
- Remove bedding, clothing and other items that may be laundered or dry cleaned. Wash and dry on "high heat" dryer setting to achieve a temperature of 120°F minimum.
- Be certain to check in harborages that offer the bed bug isolation and darkness.
